From: John Olinzock, Assistant Town Manager 

Re: Special Event Permit Application
Music By The Sea 2010 – Athena By The Sea, 101 Ocean
Every Saturday Night, 4:00 PM till 11:00 PM, 16 Jan 2010 thru 27 Mar 2010

I have solicited review of the attached special event application from BSO Police, Development Services, and Parking Enforcement (reviews attached). The Town Commission must consider the following items:

- Town Commission must waive the Code requirement of submission of application sixty (60) days prior to the event. Application was received thirty-six (36) prior to the event.
- Applicants must provide a minimum of two (2) detail deputies by BSO Police to provide security during the event.
- Both applicants must provide evidence of compliance with State Division of Alcoholic Beverages and Tobacco for extension of premises to Town Administration.
- Permit should be conditioned that alcoholic beverages be maintained within the permitted area of the event, per Municipal Code section 14-2, allowing for enforcement of the Town open container ordinance.
- Both applicants must provide certificates of insurance to Town Administration.
- Applicants must provide evidence of building permits for all tents, canopies, stages, and temporary electrical wiring as required by all Florida Building Code before issuance of special event permit. If inspections are required, Building Inspectors/ Code Enforcement shall issue Special Event permit just before start of event.
- All temporary electrical installations must be installed per codes, and plans submitted to Building Dept. for review and approval. Applicants must indicate source of power for the stage.
- Applicants must provide five (5) additional bathroom facilities per the Florida Building Code, in addition to the required facilities for the primary use of the existing establishments of the applicants.
- Specific requirements mandated by Fire Marshall shall be met.
- Event area to be delineated with proper barriers during event by the applicants.
- Unless waived by the Town Commission, the applicant must provide monthly payment of the parking meter fees affected by the road closure to the Town, in advance of the

event. Thirteen (13) meters at \$1.00 per hour are affected from 4:00 PM till 11:00 PM equating to \$91.00.

- Any signage placed by applicant promoting the event shall not obstruct rights-of-way or obstruct safe sight vision lines, and shall comply with Town Code. The Town Commission must specifically authorize any exceptions to signs or use of banners. Signage and banners placed on State roadways must comply with FDOT requirements.
- Trash receptacles shall be placed and removed by permittee at various locations within the area of the event. Trash removal is responsibility of Permittee.

Please let me know if you have any additional questions.

SITE PLAN DETAILS

Site plans often do not include details that are necessary to issue a permit and delays are caused by rejections of initial applications. The following details are intended to be a guide to assist you in developing a site plan. A current survey of the property is most helpful. If a survey is not available a drawing depicting the area of the event should include these details, as necessary. More than a one page site plan may be included in your application if details of specific areas are important to your event.

Cooking Areas (cooking areas may need to be separated from public areas with fences or barricades)
Canopy locations (include the use, such as shelter or vending and the size of the canopy)
Tent locations (sales, food service, etc. Large tents will require illuminated exit signs and fire extinguishers)
Fuel Storage and dispensing areas
Vendor locations (booths or tables and approximate size)
Fire lanes (emergency access for fire equipment and EMS)
Trailers on site (sleeping facilities, service trailers, displays, etc.)
Hazards at the site (ditches, construction areas, obstructions to pedestrian traffic, bodies of water)
Fire Extinguishers
Generators
EMS stand-by or Fire watch areas (include first aid stations)
Fences barriers and gates
Locate electrical equipment, permanent and temporary (temporary electrical installation will be to code)
Rides, demonstrations, performance areas and stages
Traffic routing and road closures
Parking areas
Trash receptacles
Smoking and No Smoking areas
Dimensions (to determine if available site will support all of the proposed activities)
Pedestrian walkways
Fences and gates
